

REPORT NO: 205

Report Date: 02/11/2005

Client: CMW Tamworth

Site: Soothill Landfill

Testing Required: Determination of in-situ densities using Core Cutting Method.

Specification: BS.1377 : Part 9 : Method 2.4

General Information:

Material: Material 1

Location:

Date Tested:

Weather:

Lab Reference: 10086

Client Reference:

Results of Testing:

Sample No.	Location	Wet Density (Mg/m3)	Natural M/C (%)	Dry Density (Mg/m3)	Compaction (%)
------------	----------	------------------------	--------------------	------------------------	-------------------

Average Moisture Content	(%)
Average Dry Density	(Mg/m3)
Average Compaction	(%)
